HOMEOWNER REFERENCE SHEET

NOTE: Reference Colors are from *Sherwin Williams*. Actual paints were furnished by **ICI Paints**.

For best color match order paints from **ICI Paints** and furnish the ICI Color Match Code.

If you choose to get paints from another source, it is recommended to take in a paint sample for 'color matching'. Mix codes are not transferable to other paint manufactureres or mixing equipment. Also be aware that all paints mixed will differ slightly and will not be a perfect match as batches vary and existing paint may fade over time.

See Touch-up Painting Kit furnished for paint samples, codes and list of ICI Paint Stores.
